Pledge: I agree to use the soft copy of the ISP Exam Preparation Program Workbook – and any hard copies I print from it – exclusively for my personal use. I will not give printed or electronic copies to anyone else without the consent of one of the program’s Lead Mentors. I understand that doing so without permission is a violation of ISP ethical standards and could result in disciplinary action up to and including denial of approval to take the ISP exam (or revocation of my ISP certification if this comes to light later).
